Thank you so much for your generous pledge payment of \$1,000 for the District Architecture Center. We are deeply grateful for your support of this exciting venture which is an amazing opportunity to not only serve the architecture and design professionals of the city, but to also give the general public greater access to and insight into architecture. As DAC's mission continues to expand, we know it will have amazing impact on the life of our nation's capital.

The District Architecture Center, where architecture meets the city, is a collaboration of the Washington Architectural Foundation and its partner the Washington Chapter of the American Institute of Architects. In fostering greater participation in city life for architects and the public, DAC is playing a central role in Washington, DC. This is a critical opportunity and we are pleased to be leading the charge.

The Washington Architectural Foundation is a 501(c)(3) organization and your gift is fully deductible to the extent allowed by law. Please consult your tax professional. This letter also confirms that no goods or services were exchanged for this donation.

Again, thank you for your gift to the Washington Architectural Foundation to support the District Architecture Center.

Sincerely,

Mary Fitch, AICP, Hon. AIA
