NATIONAL CAPITAL AREA COUNCIL

Dear James,

Thank you for support of the 2014 Eagle Career Day. We are pleased to offer young Eagle Scouts the opportunity to be mentored by a professional in an industry or career field they are interested in pursuing. Your generosity toward this endeavor is very much appreciated.

Your support provides the National Capital Area Council the resources it needs to ensure every youth who wants to join Scouting has the opportunity to be a Boy Scout. In the past year alone, more than 55,000 youth and nearly 22,000 adult volunteers participated in local Scouting programs. Of those youth, 1,377 achieved the rank of Eagle! This would not be possible without the support of community leaders and organizations.

Thank you again for your commitment to the Boy Scouts of America.

Yours in Scouting,
