*Moving Forward to a Brighter Future*

December 16, 2014

Mr. Jim Soltesz, P.E., President and CEO  
Soltesz Associates.  
2 Research Place, Suite 100  
Rockville, MD 20850

Dear Mr. Soltesz:

On behalf of our Executive Committee and the members of the Arab American Association of Engineers and Architects, we thank you sincerely for sponsoring and supporting our Fifth Annual Dinner Gala on October 25, 2014. Your willingness to continue to support our organization has helped us tremendously in meeting many of our goals including awarding four scholarships to young men and woman engineers and architects; and celebrating and networking with our peers and friends in the Baltimore-Washington-Northern Virginia Region.

*We could not have done it without your generous support and participation.* This year, we were grateful to have Mr. Leif A. Dormsjo, Maryland Deputy Secretary of Transportation and the Prince George's County Executive Rushern L. Baker, III as Keynote Speakers. Over 325 people attended the event, and we heard many compliments for bringing members, friends and guests together. Again, thank you for making this event successful.

Please free to contact me at [Nader@AAAEADC.com](mailto:Nader@AAAEADC.com) with any questions you might have, or you can also reach me on my cell phone (410) 487-4707. We look forward to seeing you next year.

Sincerely,  
AAAEA – Capital Area
