Dear Mr. Chicca,

On behalf of Ingleside at King Farm, I would like to express my deep appreciation for your company's November 20, 2015 gift of \$500 benefitting the King Farm Resident Supporting Fund.

Ingleside at King Farm shares in the long tradition of its sister communities Westminster at Lake Ridge and Ingleside at Rock Creek, by providing financial support to residents who are living longer lives and find themselves in need of financial assistance. Donations like yours are essential in helping King Farm fulfill its mission of improving the quality of life for all residents. Most importantly, your gift helps residents remain in the familiar and comfortable place that has become their home.

The IRS requires that we include in this acknowledgement of your tax-deductible donation: "No gifts or services were received by the donor in response to this charitable gift".

Once again, many thanks for your generosity.

Sincerely yours,

Robert Lancelotta, Jr.
Executive Director
Westminster Ingleside Foundation
