SOLTESZ, Inc.  
2 Research Place  
Suite 100  
Rockville, MD 20850

To The Employees of SOLTESZ, Inc,

Thank you for your generous gift of \$750.00 check #247 dated 12/07/2015 to Community Ministry of Prince George's County (CMPGC). We value partnering with you and thank you for your consistent support.

Since 1973, CMPGC consistently made positive differences in the lives of homeless, low-income, and underserved Prince Georgians. With Faith Community support, we continue to strive to bridge the gap between despair and hope by:

- Serving disadvantaged individuals over 428 free lunches each week at our Community Place Café
- Distributing each month over 52,000 pounds of free fresh nutritious produce to local families in partnership with the Capital Area Food Bank (CAFB)
- Distributing a bag of groceries to seniors each month as a partner in the CAFB Senior Brown Bag program
- Providing affordable decent housing to a family
- Helping hundreds of families and individuals avoid eviction

CMPGC is now a leader in community engagement and outreach. Our organization and team serve as a bridge between Faith Community Organizations and universities and government agencies focusing on implementing cancer education and other activities to help achieve health equity in our communities. To this end, we also seek to educate community members about the value of health insurance and accessing primary medical care services.

Thank you for supporting our vision to alleviate homelessness, hunger, health disparities, and other circumstances that put families and children at risk of living in poverty. Please continue to mail your tax deductible gifts to PO Box 250, Upper Marlboro, MD 20773 or securely donate online on our website. Please "Like" our Facebook page, [www.facebook.com/CMPGC](http://www.facebook.com/CMPGC), for updates and announcements.

In Faith,

Jimmie L. Slade  
Executive Director

Faithfully Serving Our Community Since 1973!
