Mr. Tom Chicca

Rockville, MD 20850-3214

Dear Tom:

Thank you for SOLTESZ's \$750 Hole/Green & Individual Golfer Sponsorship of this year's *Norman Christeller Golf Tournament*, hosted by Montgomery Housing Partnership.

The tournament was a great success! On a sunny May 29th, close to eighty golfers took on the course at Hampshire Greens. While getting in some golf and connecting with old friends and associates and making new connections is a good thing, our real purpose was to help MHP continue to provide the Community Life programs that are so vital to the communities we serve.

SOLTESZ's sponsorship demonstrates that it is a concerned leader in the business community that recognizes the importance of affordable housing for low and moderate income households in Montgomery County. Your support allows MHP to continue building strong neighborhoods through our Community Life Programs, which provide services to our residents through preschool and after-school programs, parent workshops, and summer activities for children.

If you want to see your donation in action, please consider joining us for a Building Dreams Tour, held twice a month, and witness the impact we make with the help of generous supporters like you. For more information please contact Eva Dillon at edillon@mhpartners.org or (301) 812-4122 or visit <http://mhpartners.org/building-dreams-tour/>.

Thanks again. All of us here at MHP – Board, staff, volunteers, and residents – greatly appreciate your support.

Sincerely,

Robert Goldman
President

Dear Mr. Soltesz,

On behalf of the Board, staff, volunteers, and the residents we serve, I'd like to extend our thanks for your gift of \$200 to Montgomery Housing Partnership for our affordable housing programs. Thanks to your support, MHP will be able to continue its mission to preserve and expand quality affordable housing and build strong communities throughout Montgomery County.

We look forward to a year of successful new real estate projects. Our plans call for adding 100 new homes and rehabilitating another 100+ units. Construction on a 114-unit, mixed income community in Olney Springs is underway. We plan to break ground on our new 149-unit building for ages 62+ in downtown Silver Spring later this year – an exciting new venture.

As part of our mission to address the full range of our residents' needs, MHP's offers Community Life programs for families. In 2013-2014, we are proud to report three new ventures: our 21st Century afterschool community learning centers for at Pembridge/Amherst Square and Arcola Elementary, a preschool at Glenville Road, and a summer camp for middle school boys. Our Neighborhood staff is actively helping to revitalize the Long Branch commercial center via marketing assistance and façade improvements for small businesses.

Thanks again for your support. To learn more about how MHP provides housing for people, empowers families, and strengthens neighborhoods, consider taking one of our Building Dreams tours, where we go beyond the "bricks and sticks" of building safe, high quality homes for people. You'll meet some of the people we serve and hear first-hand stories about how MHP helps build better lives and better communities. Sincerely,
